Best Practice-1 (Preparation and implementation of Quiz in Practise teaching)

College has its own speciality in prayer assembly managed by student teachers. Among the activities we have introduced new vision on making questions to improve skills and content knowledge of students of the schools and student teachers. Preparation of questions in various field including their content school subject knowledge are taught to student teacher in lectures. Student teachers made questions with multiple answers in their subjects. Questions are verified by teachers. Prepared questions as a form of QUIZ are presented in prayer in assembly. Student teachers present 12-15 questions and answers are collected from student teachers. This effort is used in practise teaching by student teacher in making quiz question for their subjective teaching in schools. We hope that present activity will improve scholastic achievement of the students in their respective subject. This practice increases General Knowledge of the students for TET and TAT examinations.
